

List of parts :

Cyclotron_01 to
Cyclotron_04

with option :

Cyclotron_02_3in

You can swap part
number two to get
the style you need.
3inch is the regular
nfilter size the
smaller one should
be the stunt pack
version.

You will need 8
10mm M3 screws for
the center and the
sides. Gluing all the
parts is still advised

You can't print one
part 4 times, all the
parts are different
